

ALIEN V PREDATOR: THE HUNT BEGINS

NJD410301 | MSRP \$119.95

Alien v Predator: The Hunt Begins is a dynamic, tactical miniatures board game for one or more players that allows you to take control of one of three forces: Alien Xenomorphs, Predators, or Colonial Marines and face off against each other on the derelict spacecraft, the *USCSS Theseus*. **Alien vs Predator: The Hunt Begins** offers a campaign consisting of ten missions joined together into a narrative story. Once the campaign is complete, players can use rules to modify existing missions and even create their own missions. There's no shortage of terror and excitement in **Alien vs Predator: The Hunt Begins**!

Alien vs Predator: The Hunt Begins is the core game in an expanding line of hobby miniatures. Each 32mm miniature is masterfully crafted and cast in high quality resin which brings the dark brutality of these stunning miniatures to life. All miniatures require assembly and are supplied unpainted, allowing hobbyists to build, paint, and bring their own vision to the game table.

Alien vs Predator: The Hunt Begins offers two sets of rules—Basic and Advanced—which provide beginners with a chance to jump into the action easily, while allowing depth and growth for experienced gamers. **Alien vs Predator: The Hunt Begins** is an exceptional opportunity to introduce players to the world of hobby miniature games, built upon a classic and vibrant universe that has been a fan favorite for decades!
