Crisis Tokyo is a card game for 2 to 5 players where players assume the role of the Evil Lords of Tokyo, sending terrible threats against the city to destroy its most famous landmarks and manipulating heroes into frustrating your opponent's plans.

Crisis: Tokyo features 110 cards, most of which are unique "double" cards which provide two options for play depending on a player's nefarious plans. The cards include: 24 locations in Tokyo ready to be destroyed, 80 characters, heroes, and monsters to launch into battle, and 80 events that will tip the scales dramatically.
