NJD410502 | MSRP \$39.95

Luchador! Mexican Wrestling Dice is a Fast-Rolling, Hard-Hitting, Body-Slamming, Neck-Crunching, Chair-Smashing, Table-Slapping dice game for 2 to 6 players.

Winner of UK Games Expo's 2014 *Best Family Game award*, **Luchador!** is based on the exciting world of Professional Mexican Wrestling or "Lucha Libre" (meaning Free Fighting). Players roll dice to try to reduce their opponent's strength points to zero to win by a Knock-Out (KO) or to try and hold their opponent down on the mat for a 'count of three' to win by a 'Pin'. The game includes a 3D wrestling ring with ropes for players to toss their dice into!

Luchador! is a dynamic and colorful game that is remarkable easy to learn and play, making it an ideal game for family game night. The 3D wrestling ring for players to toss their dice into creates a fun and kinetic mechanic which allows players to attempt to knock opponent's dice out of the ring, just like in an actual wrestling match!
