

CLAN IKA

NJD010200 | MSRP \$36.95

Clan Ika is a clan expansion for **Ninja All-Stars** which contains enough miniatures to build a complete Ika themed team. Clan boxes feature dynamic and unique sculpts for players' favorite teams. They also introduce two powerful new troop types to players' existing collections: large-sized Oni and a fearsome clan Hero.

In a land where paranoia and insularism are a way of life, **Clan Ika** are famous for being even more secretive, cryptic, and distrustful of outsiders than usual. The ire of the Ika is like the sea, ponderous, but not to be trifled with. They are also renowned throughout the Kingdom of the Moon for brewing the most potent and delicious sake. This water affinity clan is an attractive option for lovers of ninja-pirates, squiggly sea creatures, and sake!

Cutting through the water with uncanny speed, like the silver tip of a spear, **Mizuchi** has defeated flotillas three times her own numbers and ships ten times the weight of her craft. Serious in demeanor, strategically clever, and ruthless in battle, **Mizuchi's** ship, the *Honor of Ishika*, and a hail of fire arrows, are often the last things would-be invaders ever see.
