

NINJA ALL-STARS®

NJD010100 | MSRP \$84.95

Ninja All-Stars is a board game for 2 to 4 players, where players compete in a series of challenges. Between games, ninjas earn experience to gain new abilities and combat aptitudes. **Ninja All-Stars** features stunning, fully assembled Soda Pop miniatures and an exciting community-driving, league style of gameplay. The **Ninja All-Stars** rulebook is a beautiful, full color book featuring easy-to-learn rules, eight dynamic challenges, incredible artwork, and a complete history on the world of **Ninja All-Stars** and its clans.

Ninja All-Stars can be played using the four included teams to represent one of six prebuilt shrine teams, or to represent players' own unique teams built from six mighty clans, each with its own strategies and traditions on how to walk the ninja's path. Thanks to the unique team building elements, teams adopt their own unique identity based on gameplay, leading to endless replayability.

Ninja All-Stars' strong emphasis on league play encourages players and clubs to engage in their game community and visit local retailers to seek out new leagues, matches, and tournaments to advance their team. Ninja Division Publishing will support **Ninja All-Stars'** communities with an exciting range of tournament and league kits, each featuring unique narratives and fun prizes for participants.
