

ALIEN FACEHUGGERS

NJD410314 | MSRP \$24.95

Alien Facehuggers are a set of five finely detailed 32mm single-piece miniatures for the Alien Xenomorph forces in Alien v Predator: The Hunt Begins. Vile and vicious, **Alien Facehuggers** are stealthy stalkers on a solitary mission: implant Chestbursters within hosts to expand the Xenomorph forces. **Alien Facehuggers** are an exciting addition to Alien v Predator: The Hunt Begins, allowing players new abilities that both enhance gameplay and shake-up strategies aboard the *USCSS Theseus*.

The terror and tension grow with this collection of highly detailed miniatures based on the creatures from the *Alien v Predator* universe. Expanding gameplay with new characters, abilities, and tactics, each unique add-on challenges players to devise smarter stratagems to secure victory. **Alien Facehuggers** are a bloodthirsty brood bent on bringing down all who stand in their way, one face at a time!
