

## USCM SENTRY GUNS

NJD410315 | MSRP \$15.95

**USCM Sentry Guns** are a pair of two finely detailed 32mm miniatures for the Colonial Marine forces in *Alien v Predator: The Hunt Begins*. Fully automated and effortlessly efficient, **USCM Sentry Guns** are a solid staple of the Colonial Marine forces that shoot anything on sight and help spare human lives. **USCM Sentry Guns** are an exciting addition to *Alien v Predator: The Hunt Begins*, allowing players new abilities that both enhance gameplay and shake-up strategies aboard the *USCSS Theseus*.

The terror and tension grow with this collection of highly detailed miniatures based on the creatures from *Alien v Predator* universe. Expanding gameplay with new characters, abilities, and tactics, each unique add-on challenges players to devise smarter stratagems to secure victory. **USCM Sentry Guns** are reliable, action-ready weapons waiting to eviscerate any and all extraterrestrial scum that scurry within their scopes.
