

DRUNK QUEST: PORCELAIN GODS

NJD430103 | MSRP \$25.95

DrunkQuest: Porcelain Gods is the second expansion to the best drinking game ever made. For years we've heard people tell us things like "I don't drink but my friends do," or, "I'm always the Designated Driver." If that sounds familiar this expansion was built specifically for you! In **Porcelain Gods**, the DD takes up the role of a Deity in the world of DrunkQuest; smiting players who refuse to bend to their will while blessing the players that do. All the while changing the atmosphere of the game and adding entertaining and challenging new rules.

DrunkQuest is a game for 2 to 6 players that is an actual drinking game! **DrunkQuest** is a fantasy-based card game with fast-paced gameplay and a sense of encouraged competition –and drinking. This fast, fun, drinking game mixes quick card game mechanics with classic fantasy adventure themes to create a party game like no other!

In **DrunkQuest** players must defeat monsters in Drunk Combat. Each monster has a drink value that must be taken in order to defeat it. But it's not easy when other players are trying to stop you from defeating your monster using their cards to add drinks to the difficulty or even stealing it for themselves. Each monster defeated also grants a level. The first player to reach level 6 wins!

DrunkQuest is a party game like no other, blending gamers' love of traditional fantasy adventure games with riotous drinking action. That unstable kegerator will never know what hit it!
