

Way of the Fighter: Turbo Box
NJD410202 | MSRP \$49.99

Way of the Fighter: Turbo is a great entry point into the exciting world of **Way of the Fighter**. This box includes: a **Way of the Fighter** rule book, a unique double-sided game board, game tokens, 24 core dice, 6 orange power dice, 6 green power dice, plus fighter decks and standees for Kasi, Faris, D'Shaun, Lumi, and Severina. Each fighter deck includes cards specific to that fighter that determine their core play style and the suggested technique cards for that fighter, making **Way of the Fighter: Turbo** an awesome fighting experience right out of the box.

Way of the Fighter is an expandable card game by Benjamin Yamada that pits two fighters against one another in an arena, with a theme reminiscent of classic arcade-style fighting games. Each player must manage their fighter's movements, actions, health, and energy to achieve victory.
