

Game on Tabletop Pledge Manager users guide.

If you are using the Game on Tabletop pledge manager system to finalize your Starfinder Masterclass Miniatures rewards, or are new to the campaign, the following set of instructions should answer most of your questions in finishing your orders. Should you have any additional questions, please feel free to contact us at starfinder@ninjadivision.com.

Step 1

Accessing the Pledge Manager

- **If you pledged during the Kickstarter**, you will be receiving an email from Game on Tabletop inviting you to login with the same email credentials you used for your Kickstarter profile. If you can not find the invitation email, please check your email filters. If all else fails, you may go directly to www.gameontabletop.com and login with the email address you used from the Kickstarter campaign (or from the Kickstarter survey, if different.) and use the **Recover your password** option to create a new password and login.
- **If you are pledging for the first time**, please create an account on Game on Tabletop and select your pledges and finalize your order.

<https://www.gameontabletop.com>

The screenshot shows the 'My Account' login page for Game on Tabletop. It features a dark theme with white and blue text. At the top left is the 'GAME ON TABLETOP' logo. At the top right is a blue button that says 'Sign in to access your account'. Below the logo is a breadcrumb trail: 'Home / My Account / Log in'. The main heading is 'My Account' with 'Log in' below it. There are two main sections: 'New here?' with a 'Sign up' button and a guarantee of security, and 'Already have an account?' with a form for email and password. A pink arrow points to the 'Sign up' button with the text 'If new, sign up here.' Another pink arrow points to the login form with the text 'Enter credentials here'.

Step 2

Selecting your rewards

Once you access your pledge manager, if you previously pledged on our Kickstarter, you will have a credit and Reward associated with your account. If you are new, you will be able to select a Reward from the front page. **All backers must select a reward in order to checkout.**

You can explore all the reward levels on the right hand navigation panel on the page. There is information about the different rewards, unlocks, etc. if you scroll down, or use the top

navigation bar - feel free to explore. You can upgrade your reward level at this time, and the credit will be applied to your new pledge.

The screenshot displays the 'Starfinder Miniatures Pledge Manager' website. At the top, there is a navigation bar with links for 'Who we are', 'FAQ', 'Projects', and 'Contact'. The main header reads 'Starfinder Miniatures Pledge Manager' with a sub-header 'by Weta Division'. Below this, there is a 'Your order' summary showing a total of 2228 backers, 448 680\$ in pledges, and 34 days left to participate. The 'Choose your Reward Level' section is highlighted with a pink box, and a pink arrow points to the 'A LA CARTE LEVEL' option. The reward levels listed are: 'A LA CARTE LEVEL' (for 0\$), 'Envoys Communications' (for 1\$), 'ADVENTURE' (for 100\$), 'CAMPAIGN' (for 1000\$), '2 x ADVENTURE' (for 2000\$), 'ADVENTURE + CAMPAIGN' (for 2000\$), and '2 x CAMPAIGN Pledge' (for 2000\$). The 'REWARD LEVELS' section on the left provides details for each level, including 'ADVENTURE', 'CAMPAIGN', and 'ALL-IN'.

STEP 3

Confirming your pledge level.

Once selecting your reward level, you will be taken to a new screen to confirm your choice. Select "NEXT STEP" with the green button under your order cost to proceed.

The screenshot shows the 'Starfinder Miniatures Pledge Manager' interface. At the top, it says 'GAME ON TABLETOP' and 'John CADICE'. The main heading is 'Starfinder Miniatures Pledge Manager by Wings Division'. Below this, it says 'Choose your Reward Level'. There are three pledge levels listed:

- For 0.00\$**

A large blue button labeled 'À LA CARTE LEVEL' is highlighted. To the right, a yellow box contains the text 'Total - 180.00\$*'. Below this box is a green button labeled 'Next step >'. A pink arrow points from the text 'Total Order Cost' to this button.

STEP 4

Selecting your slots! (Campaign and Adventure pledges only)

Your pledge level will determine the type and number of slots for your reward. This step is important to make sure you get exactly what you want for your pledge level. Each pledge level has different elements. If you pledged for the **A'la Carte**, or **All-In pledges**, you will skip this step and be taken directly to the Add-On menu.

Be sure to make selections from all slot types associated with your pledge level, including **Heroes, Encounters, Creatures, and Fleets!** Once you are ready, click the green button that says "Next Step".
